CAMP GOAL

At the Geneva College Youth Softball Camp, the goal is to teach and explain every facet of the game of softball. Hitting, fielding, base running, and all the fundamentals that pertain to those categories will be taught throughout the week. Our goal is to show a love for the game of softball by immersing you in the knowledge you need to improve. We will help every athlete that attends the camp develop new skills to help improve. Ultimately, we expect you to work hard, make new friends and have a lot of fun doing it, while learning a lot about softball!
